Why study in the UK?

Embark on an enriching journey of education and exploration by choosing to study in the UK. Universities in the UK offer a wide range of programmes designed to equip you with the skills and knowledge needed for a successful future.

"The UK, as per my observations, seems to be well adept at not only welcoming international students but supporting and accommodating them too through independent fresher weeks, workshops, support meetings and events."

Charlotte from South Africa
BA (Hons) Criminology
Durham University

Average length of a **bachelor's degree: typically 3 years**

Average length of a **master's degree: 1-2 years full-time**

Average tuition fee for international **undergraduate** students: varies by course and university, **typically £11,400-£38,000 per year¹**

Average tuition fee for international **postgraduate** students: varies by course and university, **typically £9,000-£30,000 per year¹**

Average living costs: **£1,300-£1,400 per month in London** or **£900-£1,300 in the rest of the UK** to cover your accommodation, bills, groceries and various living expenses during your studies¹

Length of work stay allowed by Graduate visa: **2 years after graduation (3 years for PhD graduates)**, with an option to switch to a Skilled Worker visa²

After completing the NCUK International Foundation Year, you have the opportunity to transition into prestigious degree programmes at institutions in the UK, Australia, New Zealand and Grenada.

Routes to Medicine (only):

University of Lancashire	UK
University of Leicester	UK
Queen Mary University of London	UK
UNSW Sydney	Australia
The University of Newcastle, Australia	Australia
The University of Auckland	New Zealand
St. George's University	Grenada
Newcastle University Medicine	Malaysia

Routes to Medicine and Dentistry:

University of Bristol	UK
The University of Western Australia	Australia
University of Otago	New Zealand

"The bridging course that is the International Foundation Year helped me prepare for the demanding workload that one is faced with when entering university, especially considering that it is a medical course. My goal is to complete the five-year course and hopefully progress to a medical specialty of my choice."

Abdul from Pakistan
Medicine (MBBS)
University of Lancashire

Student testimonials

Hear from students around the world who have progressed to NCUK University Partners.

"NCUK was so incredibly helpful throughout the whole visa application process. I arrived in the UK and received ample support from my college and NCUK. Even as an alumnus, I receive support from the community we built among the Ambassadors and check-ups from NCUK."

Sybel from Rwanda
University of Birmingham

"NCUK played a key role in equipping me with a top-tier education, which has opened up opportunities in my professional journey. It provided me with the invaluable chance to experience diverse cultures, broadening my global perspective and enriching my world view."

Karen from Mexico
Manchester Metropolitan University

Learn more about our alumni's successes

"NCUK made my dream of progressing to a world-class university abroad possible. I look forward to becoming a very successful lawyer who goes on to challenge the odds by venturing into the entertainment space and the political hemisphere."

Nana from Ghana
University of Lancashire

"NCUK programmes and assignments are designed to let students interact and to encourage teamwork. Had I not studied an NCUK programme, I wouldn't have learnt these skills before university."

Hannah (Bi-Ying) from China
The University of Manchester

"The International Foundation Year has been pivotal in facilitating my educational aspirations, offering a streamlined pathway to my dream university. This provided me with a strong academic grounding, and it was backed by a helpful and approachable support team."

Thanaphat from Thailand
University of Leeds

"NCUK was a knowledge, language and cultural bridge from my country to the UK, and it is something I appreciate now that I look back."

Evelyn from Colombia
University of Sheffield
